

Unit 2 Reading Worksheet 2

Name _____

1 Read the sentences below and guess. Circle **T** (True) or **F** (False).
Do not read the text at this point.

In Finland, children start school at seven years old. All schools are **free**, and boys and girls are at school together. Teachers and students have got many **breaks**. Students haven't got a lot of **tests** or homework. Students can have the same teacher for 3–6 years. School is **optional** after 9th grade. All students have got a free lunch at school.

- | | | | |
|---|---|---|------------------|
| 1. The text is about schools in Finland. | T | F | Answer: <u>T</u> |
| 2. Finnish students have got a lot of homework. | T | F | Answer: _____ |
| 3. Teachers haven't got breaks in Finland. | T | F | Answer: _____ |
| 4. Schools in Finland are free. | T | F | Answer: _____ |

2 Now read the text above and check. Write **T** (True) or **F** (False) on the lines.

3 Read and complete using the correct form of **have got**.

- Finnish boys and girls _____ have got _____ one teacher for several years.
- Students _____ a lot of homework.
- They _____ a lot of breaks.
- Students _____ many tests.
- Finnish students _____ a free lunch at school.

4 **Stop and Think!** Compare your school and Finnish schools to complete the chart.
