Forget sunny beaches, swimming suits and sunbathing. This year, try something different for your holidays. At least once in your life, visit a unique place - a place where you can be amazed by the power of nature: Antarctica. It isn't a short trip, and it isn't cheap, but Antarctica is a beautiful land of mountains, volcanoes and islands. There are seals, whales and penguins. If you love adventure, don't miss Antarctica. Visit Antarctica in the summer when the days are long and temperatures are not so freezing. (Just don't forget to bring a coat!)

- 1. People can't visit Antarctica.
- 2. The text is about the history of Antarctic exploration.
- 3. Travelling to Antarctica is expensive.
- 4. Antarctica has got nothing to see but ice.
- 5. You can see penguins and whales in Antarctica.
- 6. Temperatures in Antarctica aren't freezing.
