Hi, people! Do you really want to know about my likes and dislikes? Well, I just love all kinds of music but I'm more into pop and rock. I definitely like Billie Eilish because her songs are amazing! She's an excellent artist. A rock band? Definitely Arcade Fire. These Canadian guys are spectacular and they are my passion. I love them! Reggae? I hate it. Sorry, guys! Now, about my favourite season? I definitely like spring. I love warm sunny weather. It's ideal for picnics in the park! I hate autumn and winter because days are usually grey and rainy. What about you? Tell me about your likes and dislikes, please!
