Hi there! I'm Peter Jackson. Welcome to my blog!

I'm a very active and courageous person and I love extreme sports. I'm very determined and I just adore challenges (Go to *My Sports* to see photos of all the sports I do!). I don't like people who are always lazy and I usually talk to people, specially about their experience of BMX riding (my favourite sport) so this is a great opportunity to exchange opinions about BMX equipment and styles.

In my free time, I sometimes take photographs of people doing extreme sports. You can see some of these pictures here too! (Go to *My Pics*.)

I also have got a dog called Tony. He always goes with me to the sports centre and he sometimes uses my skateboard. It's very funny to see Tony skateboarding!

What about you? I'd like to know about your favourite hobbies and free time activities. Would you like to share some pictures too? Write soon about your free time activities! Bye for now!
