10 Work in pairs.

A Birthday Present

• Student A

Imagine today is your best friend's birthday. Follow these instructions to buy a nice present for him / her at a gift shop in town.

- Look at the shopping window below and choose two or three presents you like.
- Greet the shop assistant (Student B).
- Ask about the price of the two or three items you have in mind. Give your opinion about them.

For example: *This school bag is really cool. / I think those rollerblades are very trendy but they're expensive.*

- Decide on one of the items. Pay for it.
- Thank the shop assistant and say goodbye.

Name: _____

Class: _____

Date: ____/____/____

A Birthday Present

- **Student B**

Imagine you are a shop assistant at the gift shop below. Follow these instructions to help a customer buy a present for one of his / her friends:

- Greet the customer (Student A) and offer help.
- Tell your customer the prices of the items he /she wants to know. Give your opinion about some of these items.

For example: *I think these headphones are very modern. / That wallet is beautiful and it isn't expensive.*

- When your customer pays for the gift, give it to her / him.
- Thank your customer and say goodbye.
