UNIT 3 (Test A)

1  Listen to Brenda and Dylan talking about Brenda's new neighbourhood and answer true (T) or false (F). (5 x 0.2 = 1)

- 1 There's a big park behind Brenda's house. []
- 2 The park is next to the shopping centre. []
- 3 There are two supermarkets near Brenda's house. []
- 4 There's a cinema in Brenda's neighbourhood. []
- 5 There aren't any underground stations near Brenda's house. []

2 Read the text and answer the questions. (6 x 0.25 = 1.5)

Millie Bobby Brown is an English actress. She is very famous for her role in the science fiction series *Stranger Things*. Her birthday is in February. She's got long fair hair, brown eyes and she is slim and medium-height. Her family is quite big. She's got two elder siblings, Paige and Charlie, and one little sister, Ava. Her parents' names are Robert and Kelly. They split their time between England and the USA. They've got two homes, a house in London and a mansion in Atlanta, Georgia, with five big bedrooms and seven bathrooms. In the garden, there is a swimming pool and a lot of space for her pet dogs.
